

Exhibit 10.1 Performance Vested Restricted Stock Unit Agreement (2025) ABBVIE INC. PERFORMANCE-VESTED RESTRICTED STOCK UNIT AGREEMENT On this %%OPTION_DATE,'MONTH DD, YYYY'%%-%% (the “Grant Date”), AbbVie Inc. (the “Company”) hereby grants to %%FIRST_NAME_LAST_NAME%%-%% (the “Employee”) a Performance-Vested Restricted Stock Unit award (the “Award”) of %%TOTAL_SHARES_GRANTED,'999,999,999'%%-%% restricted stock units (the “Units”). The number of Units granted reflects the Units that may become earned based on target vesting level for all Award tranches. The actual number of shares of Company common stock (the “Shares”) that may be issued under this Award will be determined in accordance with this Agreement by reference to the target number of Units set forth above. The Award is granted under the Program and is subject to the terms and conditions of the Program and this Agreement. In the event of any inconsistency between this Agreement and the Program, the Program shall control. The terms and conditions of the Award are as follows: 1. Definitions. To the extent not defined herein, capitalized terms shall have the same meaning as in the Program. (a) Agreement: This Performance-Vested Restricted Stock Unit Agreement. (b) Cause: Unless an alternative definition of cause applies in the Employee’s Change in Control Agreement following a “Change in Control” (as defined in such agreement), cause shall mean the following, as determined by the Company in its sole discretion: (i) material breach by the Employee of the terms and conditions of the Employee’s employment, including, but not limited to: (A) material breach by the Employee of the Company’s Code of Business Conduct, as amended from time to time; (B) material breach by the Employee of the Employee’s Employee Agreement or employment contract, if any; (C) commission by the Employee of an act of fraud, embezzlement or theft in connection with the Employee’s duties or in the course of the Employee’s employment; (D) wrongful disclosure by the Employee of secret processes or confidential information of the Company or any of its Subsidiaries; or (E) failure by the Employee to substantially perform the duties of the Employee’s employment (other than any such failure resulting from the Employee’s Disability); or (ii) material breach by the Employee of Addendum 1 to this Agreement. For the avoidance of doubt, the above definition of Cause is substantially similar to the applicable provision in Appendix A of the Change in Control Agreement.

(f) Disability: Sickness or accidental bodily injury, directly and independently of all other causes, that disables the Employee so that the Employee is completely prevented from performing all the duties of their occupation or employment. (g) Employee Agreement: The Employee Agreement entered into by and between the Company or a Subsidiary and the Employee as it may be amended from time to time. (h) Employee’s Representative: The Employee’s legal guardian or other legal representative. 3 Performance Vested Restricted Stock Unit Agreement (2025) units, or other equity-based compensation) on a periodic basis consistent with the Company's practices with respect to timing, value and terms prior to the Change in Control; (vi) the failure by the Company or a Subsidiary to continue to provide the Employee with the welfare benefits, fringe benefits and perquisites enjoyed by the Employee immediately prior to the Change in Control under any of the Company's or Subsidiary's plans or policies, including, but not limited to, those plans and policies providing pension, life insurance, medical, health and accident, disability and vacation; (vii) the relocation of the Employee's base office to a location that is more than 35 miles from the Employee's base office immediately prior to the Change in Control; or (viii) the failure of the Company to obtain a satisfactory agreement from any successor to the Company to assume and agree to perform this Agreement as contemplated in Section 5. (j) Performance Period: The period(s) specified in the attached Schedule, over which achievement of the Performance Vesting Requirements is to be measured. (k) Performance Vesting Requirements: The performance goals described in the attached Schedule, which must be achieved for Units to vest and the corresponding Shares to be delivered under this Award. (l) Program: The AbbVie Amended and Restated 2013 Incentive Stock Program, as amended from time to time. (m) Retirement: (i) Except as provided under (ii) or (iii) below, Retirement means any of the following:  age 55 with 10 years of service; or  age 60 with five years of service; or  age 65 with three years of service. (ii) For Employees who (A) transferred to the Company directly from Abbott Laboratories either as a result of the Company's spin-off from Abbott Laboratories or during the period from January 1, 2013 through June 30, 2015 with the consent of each company's head of human resources, and (B) were hired into the Abbott Laboratories controlled group prior to January 1, 2004, Retirement means either of the following:  age 50 with 10 years of service; or  age 65 with three years of service.

4 Performance Vested Restricted Stock Unit Agreement (2025) (iii) For purposes of calculating service under this Section 1(m), except as otherwise provided by the Committee or its delegate: (A) subject to subsections (B), (C) and (D) below, “years of service” shall mean the aggregate period of service, expressed as a number of whole years and fractions thereof, during which the Employee served without interruption as an employee of the Controlled Group; (B) service is earned only if performed for a member of the Controlled Group while that Controlled Group member is a part of the Controlled Group (for the avoidance of doubt, a period of employment of an employee with a business entity, part or all of which is or was acquired by or becomes part of the Controlled Group, will not be considered a period of service prior to the time such acquired entity has become a member of the Controlled Group); (C) for Employees who transferred to the Company directly from Abbott Laboratories during the period from January 1, 2013 through June 30, 2015 either as a result of the Company's spin-off from Abbott Laboratories or with the consent of each company's head of human resources, service includes service with Abbott Laboratories that is counted for Retirement eligibility purposes under applicable law or Company procedures; and (D) applicable law, Company procedures, and/or Program administration rules apply in determining credited service and Retirement eligibility. (n) Termination: A severance of employment for any reason (including Retirement) from the Company and all Subsidiaries. Any Termination (whether or not in breach of local labor laws) shall be effective on the last day the Employee

performs services for or on behalf of the Company or its Subsidiary as an employee, and employment shall not be extended by any statutory or common law notice of termination period (e.g., active employment does not include a period of "garden leave" or similar period pursuant to local law). The Company shall have the exclusive discretion to determine when Termination occurs.

2. Delivery Dates and Shareholder Rights. The delivery dates for Shares issuable with respect to the Units are the respective dates on which the Shares are distributable to the Employee if the Restrictions lapse pursuant to Section 4 or 5 below (each a "Delivery Date"). Prior to the Delivery Date(s):

- (a) the Employee shall not be treated as a shareholder as to any Shares issuable under the Agreement, and shall have only a contractual right to receive Shares, unsecured by any assets of the Company or its Subsidiaries;
- (b) the Employee shall not be permitted to vote any Shares issuable under the Agreement;
- and (c) the Units will be subject to the adjustment provisions relating to mergers, reorganizations, and similar events set forth in the Program.

5 Performance Vested Restricted Stock Unit Agreement (2025) Subject to the requirements of local law, if any dividend or other distribution is declared and paid on Shares (other than dividends or distributions of securities of the Company which may be issued with respect to its Shares by virtue of any stock split, combination, stock dividend or recapitalization) while any of the Units remain outstanding, then a phantom dividend will be accrued that is equivalent to the actual dividend or distribution that would have been paid on a single Share. As any Units vest and are earned under this Award, the accrued phantom dividends that are attributable to the earned Shares issuable with respect to such Units will vest and be distributed to the Employee (in the form in which the actual dividend or distribution was paid to shareholders or in such other form as the Administrator deems appropriate under the circumstances) concurrently with the issuance of the earned Shares resulting from the Unit vesting. Any such distribution is subject to the Company's collection of withholding taxes applicable to the distribution. No phantom dividends will be paid or payable to or for the benefit of the Employee (i) with respect to dividends or distributions for which the record date occurs on or after (A) the applicable Delivery Date, (B) the date the Employee has forfeited the Units, or (C) in some cases due to applicable law, the date the Restrictions on the Units have lapsed, or (ii) if it is not administratively practicable or feasible to make such payments. For purposes of compliance with the time and form of payment requirements of Code Section 409A, to the extent applicable, the phantom dividends shall be treated separately from the Units, and the specified date for payment of any phantom dividend to which the Employee is entitled under this Section 2 is the calendar year in which the corresponding Shares vest and are distributed to the Employee (notwithstanding anything to the contrary herein). The Employee has no right to determine the year in which phantom dividends will be paid.

3. Restrictions. The Units are subject to the forfeiture provisions in Sections 6 and 7 below. Shares are not earned and may not be sold, exchanged, assigned, transferred, pledged or otherwise disposed of (collectively, the "Restrictions") until an event or combination of events described in subsections 4(a), (b), (c) or (d) or Section 5 occurs, and except as provided in Section 24.

4. Lapse of Restrictions. The number of Shares that become issuable under this Award, as set forth in this Section 4 and subject to the provisions of Sections 5, 6, 7 and 12 below, will be calculated based on the extent to which the Performance Vesting Requirements are achieved. The Committee may equitably adjust the Performance Vesting Requirements in recognition of unusual or non-recurring events affecting the Company or any Subsidiary or the financial statements of the Company or any Subsidiary, in response to changes in applicable laws or regulations, or to account for items of gain, loss or expense determined to be unusual in nature or infrequent in occurrence or related to the acquisition or disposal of a business or assets or related to a change in accounting principles.

(a) Performance. Subject to subsections (b), (c), and (d) below, if the Employee remains employed with the Company or its Subsidiaries as of the applicable vesting date specified below, then: (i) the Restrictions on up to one-third of the total number of Units may lapse on %VEST_DATE_PERIOD1,'MONTH DD, YYYY'-%, and the Units may be earned as determined in accordance with the Schedule;

6 Performance Vested Restricted Stock Unit Agreement (2025) (ii) the Restrictions on up to an additional one-third of the total number of Units may lapse on %VEST_DATE_PERIOD2,'MONTH DD,

YYYY'-%-, and the Units may be earned as determined in accordance with the Schedule; and (iii) the Restrictions on up to an additional one-third of the total number of Units may lapse on %VEST_DATE_PERIOD3,'MONTH DD, YYYY'-%-, and the Units may be earned as determined in accordance with the Schedule. (b) Retirement. The Restrictions will continue to apply in the event of the Employee's Termination due to Retirement, but may lapse thereafter in accordance with the provisions of subsection 4(a) above, in which case any Units not previously settled on a Delivery Date will be settled in the form of Shares on the Delivery Date(s) set forth in subsection 4(a) above occurring after the date of such Termination due to Retirement. (c) Death. The Restrictions will lapse on the date of the Employee's Termination due to death, and any Units not previously settled on a Delivery Date will be settled (for the person or persons to whom rights under the Award have passed by will or the laws of descent or distribution) in the form of Shares as soon as practicable after, and effective as of, the date of Termination due to death. The extent to which the Units are earned, and the number of Shares to be delivered as a result, will be determined as follows: (i) For any Performance Period that has begun but has not been completed as of the date of Termination due to death, the number of Shares to be delivered with respect to the applicable Award tranche will be determined based on the greater of (A) performance through the date of Termination measured against the Performance Vesting Requirements using the most recent earnings information released before the date of Termination, and (B) the target vesting level for the applicable Award tranche. (ii) For any Performance Period that has not yet begun as of the date of Termination due to death, the number of Shares to be delivered will be determined using the target vesting level for the applicable Award tranche(s). (d) Disability. The Restrictions will lapse on the date of the Employee's Termination due to Disability, and any Units not previously settled on a Delivery Date will be settled in the form of Shares as soon as practicable after, and effective as of, the date of Termination due to Disability. The extent to which Units are earned, and the number of Shares to be delivered as a result, will be determined as follows: (i) For any Performance Period that has begun but has not been completed as of the date of Termination due to Disability, the number of Shares to be delivered with respect to the applicable Award tranche will be determined based on the greater of (A) performance through the date of Termination measured against the Performance Vesting Requirements using the most recent earnings information released before the date of Termination, and (B) the target vesting level for the applicable Award tranche.

7 Performance Vested Restricted Stock Unit Agreement (2025) (ii) For any Performance Period that has not yet begun as of the date of Termination due to Disability, the number of Shares to be delivered will be determined using the target vesting level for the applicable Award tranche(s). 5. Change in Control. In the event of a Change in Control, the entity surviving such Change in Control or the ultimate parent thereof (referred to herein as the "Surviving Entity") may assume, convert or replace this Award with an award of at least equal value and terms and conditions not less favorable than the terms and conditions provided in this Agreement, in which case the new award will vest according to the terms of the applicable award agreement. If the Surviving Entity does not assume, convert or replace this Award, the Restrictions will lapse and the Units shall be immediately settled on the date of the Change in Control, as described below. If the Surviving Entity does assume, convert or replace this Award, then in the event the Employee's Termination (a) occurs within the time period beginning six months immediately before a Change in Control and ending two years immediately following such Change in Control, and (b) was initiated by the Company (or the Surviving Entity) for a reason other than Cause or was initiated by the Employee for Good Reason, the Restrictions will lapse on the later of the date of the Change in Control and the date of the Employee's Termination (referred to herein as the "Applicable Lapse Date"). The extent to which the Units are earned, and the number of Shares to be delivered as a result, will be determined as follows: (i) For any Performance Period that has begun but has not been completed as of the Applicable Lapse Date, the number of Shares to be delivered with respect to the applicable Award tranche will be determined based on the greatest of: (A) performance through the date of the Change in Control measured against the Performance Vesting Requirements using the most recent earnings information released before the date of the Change in Control; (B) performance through the date of the Termination measured against the Performance Vesting Requirements using the most recent earnings information released before the date of the

Termination; and (C) the target vesting level for the applicable Award tranche. (ii) For any Performance Period that has not yet begun as of the Applicable Lapse Date, the number of Shares to be delivered will be determined using the target vesting level for the applicable Award tranche(s). The provisions of this Section 5 shall supersede Section 13(a)(iv) and (v) of the Program. 6. Effect of Certain Bad Acts. Any Units not previously settled will be cancelled and forfeited immediately if the Employee engages in activity that constitutes Cause, as determined in the sole opinion and discretion of the Committee or its delegate, whether or not the Employee experiences a Termination or remains employed with the Company or a Subsidiary. 7. Forfeiture of Units; Recoupment. (a) Effect of Termination. In the event of the Employee's Termination for any reason other than those set forth in subsection 4(b), (c) or (d) or Section 5, any Units with respect to

8 Performance Vested Restricted Stock Unit Agreement (2025) which Restrictions have not lapsed as of the date of Termination will be forfeited without consideration to the Employee or the Employee's Representative. In the event that the Employee is terminated by the Company other than for Cause and in a situation not covered by Section 5, the Company may, in its sole discretion, cause some or all of the Units to continue to be subject to the Restrictions, provided such Restrictions may lapse thereafter in accordance with the provisions of subsection 4(a), in which case such Units will be settled in the form of Shares on the Delivery Date(s) set forth in subsection 4(a) above as if the Employee had remained employed on such dates. (b) Recoupment. Without limiting Section 14(q) of the Program, the Units, any Shares issued upon settlement of the Units and any proceeds therefrom shall be subject to and remain subject to any incentive compensation clawback or recoupment policy of the Company (i) currently in effect, (ii) as may be adopted by the Company to comply with applicable law and/or the rules and regulations of the securities exchange or inter-dealer quotation system on which the Shares are listed or quoted, including, without limitation, pursuant to Section 10D of the Exchange Act, Rule 10D-1 thereunder and Section 303A.14 of the New York Stock Exchange Listed Company Manual, or (iii) as may be adopted by the Company to facilitate the Company's objectives related to eliminating or reducing fraud, misconduct, wrongdoing, or violations of law by an employee or other service provider or related to improving the Company's governance practices or similar considerations and, in each case, as may be amended from time to time (the "Recoupment Policy"), with the provisions contained in such Recoupment Policy deemed incorporated into this Agreement without the Employee's additional or separate consent. For purposes of the foregoing, the Employee expressly and explicitly authorizes the Company to issue instructions, on the Employee's behalf, to any brokerage firm and/or third-party administrator engaged by the Company to hold any Shares and other amounts acquired pursuant to the Units to re-convey, transfer or otherwise return such Shares and/or other amounts to the Company upon the Company's enforcement of the Recoupment Policy. In accepting the Award and the terms of this Agreement, the Employee acknowledges and agrees that the Recoupment Policy shall apply to all other forms of incentive compensation awarded to the Employee, as well. No recovery of compensation as described in this Section will be an event giving rise to the Employee's right to resign for "good reason" or "constructive termination" (or similar term) under any plan of, or agreement with, the Company, a Subsidiary and/or the Employee. 8. Withholding Taxes. To the extent permitted under applicable law and by the Company, the Employee may satisfy any U.S. or non-U.S. federal, state, local or other applicable taxes arising from the grant of the Award, the lapse of Restrictions or the delivery of Shares pursuant to this Agreement by: (a) tendering a cash payment; (b) having the Company withhold Shares from the Shares to be delivered to satisfy the applicable withholding tax;

9 Performance Vested Restricted Stock Unit Agreement (2025) (c) delivery of irrevocable instructions to a broker to deliver promptly to the Company the amount of sale proceeds to satisfy the applicable withholding tax; or (d) delivering other previously acquired Shares having a Fair Market Value approximately equal to the amount to be withheld. The Company shall have the right and is hereby authorized to withhold from the Shares deliverable to the Employee pursuant to this Agreement or (to the extent permitted by applicable law, including without limitation Code Section 409A) from any other

compensation or other amount owing to the Employee, such amount as may be necessary in the opinion of the Company to satisfy all such taxes, requirements and withholding obligations. If the Company withholds for tax purposes from the Shares otherwise to be delivered to the Employee, the Employee is deemed to have been issued the full number of Shares underlying the Award, subject to the Restrictions set forth in this Agreement. Notwithstanding the foregoing, if the Employee is subject to Section 16(b) of the Exchange Act, the Company will withhold using the method described in subsection 8(b) above unless the use of such withholding method is problematic under applicable laws or has materially adverse accounting consequences, in which case the Committee shall determine which of the other methods described in this Section 8 or in the Program shall be used to satisfy the applicable withholding obligations.

9. No Right to Continued Employment. This Agreement and the Employee's participation in the Program do not and shall not be interpreted to: (a) form an employment contract or relationship with the Company or its Subsidiaries; (b) confer upon the Employee any right to continue in the employ of the Company or any of its Subsidiaries; or (c) interfere with the ability of the Company or its Subsidiaries to terminate the Employee's employment at any time.

10. Nature of Grant. In accepting this Award, the Employee acknowledges and agrees that: (a) the Program is established voluntarily by the Company, it is discretionary in nature and it may be modified, amended, suspended or terminated by the Company at any time; (b) this Award is a one-time benefit and does not create any contractual or other right to receive future grants of Units, benefits in lieu of Units, or other Program Benefits in the future, even if Units have been granted repeatedly in the past; (c) all decisions with respect to future Unit grants, if any, and their terms and conditions, will be made by the Committee (or its delegate), in its sole discretion; (d) nothing contained in this Agreement is intended to create or enlarge any other contractual obligations between the Company and the Employee; (e) the Employee is voluntarily participating in the Program; (f) the Units and Shares subject to the Units are:

10 Performance Vested Restricted Stock Unit Agreement (2025) (i) extraordinary items that do not constitute compensation of any kind for services of any kind rendered to the Company or its Subsidiaries, and are outside the scope of the Employee's employment contract, if any; (ii) not intended to replace any pension rights or compensation; (iii) not part of the Employee's normal or expected compensation or salary for any purpose, including, but not limited to, calculating any severance, resignation, termination, redundancy, dismissal, end-of-service payments, holiday pay, bonuses, long-service awards, pension or retirement or welfare benefits, or similar payments and in no event should they be considered as compensation for, or relating in any way to, past services for the Company or any of its Subsidiaries; (g) the future value of the Shares underlying the Units is unknown and cannot be predicted with certainty; (h) in consideration of the Award, no claim or entitlement to compensation or damages shall arise from the Units resulting from (i) Termination (for any reason whatsoever) and/or (ii) the application of Sections 6 and/or 7 above and the Employee irrevocably releases the Company and its Subsidiaries from any such claim that may arise; if any such claim is found by a court of competent jurisdiction to have arisen, then, by signing or electronically accepting this Agreement, the Employee shall be deemed irrevocably to have waived the Employee's entitlement to pursue such claim; (i) the Units and the Benefits under the Program, if any, will not automatically transfer to another company in the case of a merger, take-over or transfer of liability; and (j) neither the Company nor any of its Subsidiaries shall be liable for any change in value of the Units, the amount realized upon settlement of the Units or the amount realized upon a subsequent sale of any Shares acquired upon settlement of the Units, resulting from any fluctuation of the United States Dollar/local currency f
