

ABBVIE SUPPLEMENTAL PENSION PLAN (Amended and Restated

Effective as of July 1, 2025) Exhibit 10.2

ABBVIE SUPPLEMENTAL PENSION PLAN SECTION 1 INTRODUCTION 1-1. The Board of Directors of AbbVie Inc. (“AbbVie”,) adopted this AbbVie Supplemental Pension Plan (the “Supplemental Plan” or “Plan”,) effective as of January 1, 2013. The Plan provides for payment of (a) pension benefits calculated under the AbbVie Pension Plan (the “Pension Plan”,) in excess of those which may be paid under that plan under the limits imposed by Section 415 of the U.S. Internal Revenue Code, as amended (the “Code”,), and the Employee Retirement Income Security Act, as amended (“ERISA”,), and (b) the additional pension benefits that would be payable under the Pension Plan if deferred awards under certain AbbVie non-qualified deferred compensation plans were included in “final earnings” as defined in the Pension Plan. The Plan is hereby amended and restated effective as of July 1, 2025. 1-2. The Supplemental Plan shall apply to employees of AbbVie and its subsidiaries and affiliates existing as of the date of adoption of the Supplemental Plan or thereafter created or acquired. AbbVie and each of such subsidiaries and affiliates are hereinafter referred to as an “employer” and collectively as the “employers.” 1-3. All benefits provided under the Supplemental Plan shall be provided from the general assets of the employers and not from any trust fund or other designated asset. All participants in the Supplemental Plan shall be general creditors of the employers with no priority over other creditors. 1-4. The Supplemental Plan shall be administered by the AbbVie Employee Benefit Board of Review appointed and acting under the Pension Plan (the “Board of Review”). Except as stated below, the Board of Review shall perform all powers and duties with respect to the Supplemental Plan, including the power to direct payment of benefits, allocate costs among employers, adopt amendments and determine questions of interpretation. The Board of Directors of AbbVie (the “Board of Directors”,) shall have the sole authority to terminate the Supplemental Plan. 1-5. As part of the Separation and Distribution Agreement by and between Abbott Laboratories and AbbVie Inc. dated as of November 28, 2012, Abbott Laboratories (“Abbott”,) and AbbVie entered into the Employee Matters Agreement dated as of December 31, 2012 (the “EMA”). In accordance with the EMA, all liabilities for AbbVie Employees (as defined in the EMA) under the Abbott Laboratories Supplemental Pension Plan were transferred to the Plan and the Plan became liable to pay all such benefits to such participants. Supplement A to the Plan sets forth the additional rules applicable to the transferred benefits and transferred participants. SECTION 2 ERISA PENSION PLAN SUPPLEMENTAL BENEFIT 2-1. The benefits described in this Section 2 shall apply to all participants in the Pension Plan who retire, or terminate with a vested pension, under that plan on or after January 1, 2013.

2-2. Each Pension Plan participant whose retirement or vested pension under that plan would otherwise be limited by Code Section 415 shall receive a supplemental pension under this Supplemental Plan in an amount which, when added to his or her Pension Plan benefit (calculated as if such benefit had been payable based on the distribution rules established hereunder and the pension form selected by the participant as permitted by subsections 8-3 and 8-4), will equal the amount the participant would be entitled to under the Pension Plan as in effect from time to time, calculated as if such benefit had been payable based on the distribution rules established hereunder and the pension form selected by the participant as permitted by subsections 8-3 and 8-4, without regard to the limitations imposed by Code Section 415. SECTION 3 1986 TAX REFORM ACT SUPPLEMENTAL BENEFIT 3-1. The benefits described in this Section 3 shall apply to all participants in the Pension Plan who retire or terminate on or after January 1, 2013 with a vested pension under that plan. 3-2. Each Pension Plan participant shall receive a supplemental pension under this Supplemental Plan in an amount determined as follows: (a) The supplemental pension shall be the difference, if any, between: (i) the hypothetical monthly benefit that would have been payable under the Pension Plan based on the distribution rules established hereunder and the pension form selected by the participant as permitted by subsections 8-3 and 8-4 plus any supplement provided by Section 2; and (ii) the hypothetical monthly benefit that would have been

payable under the Pension Plan, calculated based on the distribution rules established hereunder and the pension form selected by the participant as permitted by subsections 8-3 and 8-4 (without regard to the limits imposed by Code Section 415) if the participant's final earnings, as defined in the Pension Plan, had included compensation in excess of the limits imposed by Code Section 401(a)(17), and any pre-tax contributions made by the participant under the AbbVie Supplemental Savings Plan.

SECTION 4 DEFERRED COMPENSATION PLAN PENSION PLAN SUPPLEMENTAL BENEFIT

4-1. The benefits described in this Section 4 shall apply to all participants in the Pension Plan who retire or terminate on or after January 1, 2013 with a vested pension under that plan, and who made a Deferral Election under the AbbVie Deferred Compensation Plan (the Deferred Compensation Plan;) with respect to any calendar month during the one hundred twenty consecutive calendar months immediately preceding retirement or termination of employment.

4-2. Each Pension Plan participant shall receive a supplemental pension under this Supplemental Plan in an amount determined as follows: (a) The supplemental pension shall be the difference, if any, between:

(i) the hypothetical monthly benefit that would have been payable under the Pension Plan based on the distribution rules established hereunder and the pension form selected by the participant as permitted by subsections 8-3 and 8-4 plus any supplement provided by Section 2 and Section 3; and (ii) the hypothetical monthly benefit that would have been payable under the Pension Plan, calculated based on the distribution rules established hereunder and the pension form selected by the participant as permitted by subsections 8-3 and 8-4 (without regard to the limits imposed by Code Section 415) if the participant's base earnings, as defined in the Pension Plan, included deferrals made under the Deferred Compensation Plan and any compensation in excess of the limits imposed by Code Section 401(a)(17).

SECTION 5 DEFERRED MIP PENSION PLAN SUPPLEMENTAL BENEFIT

5-1. The benefits described in this Section 5 shall apply to all participants in the Pension Plan who retire or terminate on or after January 1, 2013 with a vested pension under that plan and who received Management Incentive Plan awards for any calendar year during the ten consecutive calendar years ending with the year of retirement or termination of employment.

5-2. Each Pension Plan participant shall receive a supplemental pension under this Supplemental Plan in an amount determined as follows:

(a) The supplemental pension shall be the difference, if any, between: (i) the hypothetical monthly benefit that would have been payable under the Pension Plan based on the distribution rules established hereunder and the pension form selected by the participant as permitted by subsections 8-3 and 8-4 plus any supplement provided by Section 2, Section 3, and Section 4; and (ii) the hypothetical monthly benefit that would have been payable under the Pension Plan, calculated based on the distribution rules established hereunder and the pension form selected by the participant as permitted by subsections 8-3 and 8-4 (without regard to the limits imposed by Code Section 415) if the participant's final earnings, as defined in the Pension Plan, were one-sixtieth of the sum of: A. the participant's total basic earnings (excluding any payments under the Management Incentive Plan, any division incentive plan or any comparable incentive plan) received in the sixty consecutive calendar months for which his or her basic earnings (excluding any payments under the Management Incentive Plan, any division incentive plan or any comparable incentive plan) were highest; and B. the amount of the participant's total awards under the Management Incentive Plan, any division incentive plan and any comparable incentive plan (whether paid immediately or deferred) made for

the five consecutive calendar years during the ten consecutive calendar years ending with the year of retirement or termination for which such amount is the greatest and (for participants granted Management Incentive Plan awards for less than five consecutive calendar years during such ten year period) which include all Management Incentive Plan awards granted for consecutive calendar years within such ten year period.

(b) That portion of any Management Incentive Plan award which the Compensation Committee of the Board of Directors of AbbVie (Committee;) has determined shall be excluded from the participant's basic earnings shall be excluded from the calculation of final earnings for purposes of this subsection 5-2.

“Final earnings” for purposes of this subsection 5-2 shall include any compensation in excess of the limits imposed by Code Section 401(a)(17). (c) In the event the period described in subsection 5-2(a)(ii)(B) is the final five calendar years of employment and a Management Incentive Plan award is made to the participant subsequent to retirement for the participant’s final calendar year of employment, the supplemental pension shall be adjusted by adding such new award and subtracting a portion of the earliest Management Incentive Plan award included in the calculation, from the amount determined under subsection 5-2(a)(ii)(B). The portion subtracted shall be equal to that portion of the participant’s final calendar year of employment during which the participant was employed by AbbVie.

SECTION 6 CORPORATE OFFICER PENSION PLAN SUPPLEMENTAL BENEFIT 6-1. The benefits described in this Section 6 shall apply to all participants in the Pension Plan who are corporate officers of AbbVie as of January 1, 2013 or who become corporate officers thereafter, and who retire or terminate with a vested pension under that plan on or after January 1, 2013. The term “corporate officer” for purposes of this Supplemental Plan shall mean an individual elected an officer of AbbVie by its Board of Directors (or designated as such for purposes of this Section 6 by the Compensation Committee), but shall not include assistant secretaries, assistant treasurers or other assistant officers.

6-2. Subject to the limitations and adjustments described below, each participant described in subsection 6-1 shall receive a monthly supplemental pension under this Supplemental Plan commencing on the date determined in accordance with subsection 8-2 and payable as a life annuity, equal to 6/10 of 1 percent (.006) of the participant’s final earnings (as determined under subsection 5-2) for each of the first twenty years of the participant’s benefit service (as defined in the Pension Plan) occurring after the participant’s attainment of age 35.

6-3. In no event shall the sum of (a) the participant’s aggregate percentage of final earnings calculated under subsection 6-2 and (b) the participant’s aggregate percentage of final earnings calculated under subsection 5.1 of the Pension Plan, excluding 5.1(a)(ii)(B), exceed the maximum aggregate percentage of final earnings allowed under subsection 5.1 (also excluding 5.1(a)(ii)(B)) of the Pension Plan (without regard to any limits imposed by the Internal Revenue Code), as in effect on the date of the participant’s retirement or termination. In the event the limitation described in this subsection 6-3 would be exceeded for any participant, the participant’s aggregate percentage calculated under subsection 6-2 shall be reduced until the limit is not exceeded.

6-4. Benefit service occurring between the date a participant ceases to be a corporate officer of AbbVie and the date the participant again becomes a corporate officer of AbbVie shall be disregarded in calculating the participant’s aggregate percentage under subsection 6-2.

6-5. Any supplemental pension otherwise due a participant under this Section 6 shall be reduced by the amount (if any) by which: (a) the hypothetical benefits that would be payable to such participant under the Pension Plan, based on the distribution rules established hereunder and the pension form selected by the participant as permitted by subsections 8-3 and 8-4, and this Supplemental Plan exceeds (b) the hypothetical maximum benefit that would be payable to the participant under the Pension Plan, calculated based on the distribution rules established hereunder and the pension form selected by the participant as permitted by subsections 8-3 and 8-4 (without regard to the limits imposed by Code Section 415) based on the participant’s final earnings (as determined under subsection 5-2), if the participant had accrued the maximum benefit service recognized by the Pension Plan.

6-6. Any supplemental pension due a participant under this Section 6 shall be actuarially adjusted as provided in the Pension Plan to reflect the pension form selected by the participant as permitted by subsections 8-3 and 8-4 and the participant’s age at commencement of the pension as provided in Section 7.

SECTION 7 CORPORATE OFFICER PENSION PLAN SUPPLEMENTAL EARLY RETIREMENT BENEFIT 7-1. The benefits described in this Section 7 shall apply to all persons described in subsection 6-1.

7-2. The supplemental pension due under Sections 2, 3, 4, 5 and 6 to each participant described in subsection 7-1 shall be reduced in accordance with the rules provided in subsections 5-3 and 5-6 of the Pension Plan for each month by which its commencement date precedes the last day of the month in which the participant will attain age 60. No reduction will be made for the period between the last day of the months in which the participant will attain age 60 and age 62.

7-3. Each participant described in subsection 7-1 shall receive a monthly supplemental pension under this Supplemental Plan equal to any hypothetical reduction made in such participant's Pension Plan pension in accordance with the rules provided in subsections 5.3 and 5.6 of the Pension Plan for the period between the last day of the months in which the participant will attain age 60 and age 62, calculated as if the participant had commenced receipt of the participant's Pension Plan benefit on the same date on which the participant commences receipt of the participant's supplemental pension based on the distribution rules established hereunder and the pension form selected by the participant as permitted by subsections 8-3 and 8-4.

SECTION 8 MISCELLANEOUS

8-1. For purposes of this Supplemental Plan, the term "Management Incentive Plan" shall mean the AbbVie 2013 Management Incentive Plan, the AbbVie 2013 Performance Incentive Plan, the AbbVie Managerial Incentive Plan, and any successor or alternative to any of those plans.

8-2. The monthly vested supplemental pension described in Sections 2, 3, 4, 5, 6 and 7 shall commence to be paid to the participant or his or her beneficiary on the last day of the month following the month in which:

(a) For any Transferred Participant or Post-Distribution Participant (both as defined in Supplement A) who has an Old Formula Benefit (as defined in the Pension Plan) under the Pension Plan, the later of the date on which such participant attains age 50 and the date such participant's employment is terminated; or

(b) For any Transferred Participant or Post-Distribution Participant (both as defined in Supplement A) who does not have an Old Formula Benefit (as defined in the Pension Plan) under the Pension Plan and any participant who does not fall into the preceding categories hired by AbbVie on or after January 1, 2013, the later of the date on which such participant attains age 55 and the date such participant's employment is terminated.

Notwithstanding the foregoing provisions of this subsection 8-2, any participant eligible to make an election under Section 9 may make such election with respect to any accruals for services performed in the year following the year such election is made.

Notwithstanding the foregoing provisions of this subsection 8-2, in the event that the present value of participant's supplemental pension under Sections 2, 3, 4, 5, 6 and 7 does not exceed in the aggregate \$25,000 as of the commencement date of the pension payable to such participant or his or her beneficiary, and payment of such supplemental pension has not been previously made under Section 9, the present value of such supplemental pension shall be paid to such participant in a lump sum on such commencement date.

8-3. Except as otherwise specifically provided, payment of the monthly vested supplemental pension described in Sections 2, 3, 4, 5, 6, and 7 shall be made to a participant as follows:

(a) Life Annuity. A participant who is not legally married on the date as of which such payments commence shall receive a monthly retirement income or monthly deferred vested benefit in accordance with the plan payable on a life annuity basis, with the last payment to be made for the month in which his or her death occurs.

(b) 50% Joint and Survivor Annuity. A participant who is legally married on the date as of which such payments commence shall receive a 50% joint and survivor annuity which is actuarially equivalent to the amount of monthly retirement income or monthly deferred vested benefit otherwise payable to him or her in accordance with the plan on a life annuity basis. Such joint and survivor annuity shall consist of a reduced monthly retirement income or monthly deferred vested benefit continuing during the participant's lifetime, and if the participant's spouse is living at the date of the participant's death, payment of one-half of such reduced monthly retirement income or monthly deferred vested benefit to such spouse until the spouse's death occurs, with the last payment to be made for the month of the death of the last to die of the participant and his or her spouse. The joint and survivor annuity payable hereunder to or with respect to a participant who retires on a late retirement date shall be computed as if such participant had retired on his or her normal retirement date using for the age of his or her spouse as of his or her late retirement date, that spouse's age as of his or her normal retirement date.

8-4. In lieu of the form and amount of supplemental pension benefit specified in subsection 8-3, a participant may elect, prior to commencement, a supplemental pension benefit which is actuarially equivalent to the form of payment specified in subsection 8-3(a), in the annuity forms permitted by the Board of Review, provided that the scheduled date for the first annuity payment is not changed as a result of such election. For purposes of this provision, the term "actuarially equivalent" shall have the meaning provided by

Treasury Regulation §1.409A-2(b)(2)(ii)(A), applying reasonable actuarial methods and assumptions, which must be the same for each annuity payment option and otherwise comply with the rules provided by Treasury Regulation §1.409A-2(b)(2)(ii)(D). An election under this subsection 8-4 must be in writing, signed by the participant, and filed with the Board of Review at such time and in such manner as the Board of Review shall determine; and will be effective only if the participant's spouse, if any, consents to the election in writing, and such consent acknowledges the effect of the election and is witnessed by a plan representative or a notary public. In any case where a participant elects an optional form of benefit, the option shall be designed so that more than 50 percent of the actuarial reserve required to provide the participant's monthly vested supplemental pension benefit in the normal form will be applied to provide the participant's benefits under the option during the period of the participant's life expectancy. Payment of an optional form of benefit will commence no later than the date on which the participant's monthly supplemental pension benefit would otherwise commence. An election under this subsection 8-4 may not be changed after payment of the participant's supplemental pension benefit has commenced.

8-5. Notwithstanding any other provision of this Supplemental Plan, if a participant terminates employment within two (2) years following the occurrence of a Change in Control, the present value of his or her supplemental pension under Sections 2, 3, 4 and 5 (but excluding any amounts with respect to which an election under Section 9 has been made, whether or not then payable or vested) shall be paid to such participant in a lump sum, calculated using reasonable

actuarial assumptions and methods, within thirty (30) days following the date of such termination of employment; provided that the event constituting a Change in Control is also a "change in control event," as such term is defined in Treasury Regulation §1.409A-3(i)(5). The supplemental pension under Section 2 shall be computed using as the applicable limit under Code Section 415, such limit as is in effect on the termination date and based on the assumption that the participant will receive his or her supplemental pension in the form of a straight life annuity with no ancillary benefits. The present values of the supplemental pensions under Sections 2, 3, 4 and 5 shall be computed as of the date of payment using an interest rate equal to the Pension Benefit Guaranty Corporation interest rate applicable to an immediate annuity, as in effect on the date of payment.

8-6. For purposes of subsection 8-5, a "Change in Control" shall be deemed to have occurred on the earliest of the following dates: (a) the date any Person is or becomes the Beneficial Owner, directly or indirectly, of securities of AbbVie (not including in the securities beneficially owned by such Person any securities acquired directly from AbbVie or its Affiliates) representing 20% or more of the combined voting power of AbbVie's then outstanding securities, excluding any Person who becomes such a Beneficial Owner in connection with a transaction described in clause (i) of paragraph (c) below; or (b) the date the following individuals cease for any reason to constitute a majority of the number of directors then serving: individuals who, on the date hereof, constitute the Board of Directors and any new director (other than a director whose initial assumption of office is in connection with an actual or threatened election contest, including but not limited to a consent solicitation, relating to the election of directors of AbbVie) whose appointment or election by the Board of Directors or nomination for election by AbbVie's shareholders was approved or recommended by a vote of at least two-thirds (2/3) of the directors then still in office who either were directors on the date hereof or whose appointment, election or nomination for election was previously so approved or recommended; or (c) the date on which there is consummated a merger or consolidation of AbbVie or any direct or indirect subsidiary of AbbVie with any other corporation or other entity, other than (i) a merger or consolidation (A) immediately following which the individuals who comprise the Board of Directors immediately prior thereto constitute at least a majority of the Board of Directors of AbbVie, the entity surviving such merger or consolidation or, if AbbVie or the entity surviving such merger or consolidation is then a subsidiary, the ultimate parent thereof and (B) which results in the voting securities of AbbVie outstanding immediately prior to such merger or consolidation continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity or any parent thereof), in combination with the ownership of any trustee or other fiduciary holding securities under an employee benefit plan of AbbVie or any subsidiary of AbbVie, at least 50% of the combined voting power

of the securities of AbbVie or such surviving entity or any parent thereof outstanding immediately after such merger or consolidation, or (ii) a merger or consolidation effected to implement a recapitalization of AbbVie (or similar transaction) in which no Person is or becomes the Beneficial Owner, directly or indirectly, of securities of AbbVie (not including in the securities Beneficially Owned by such Person any securities acquired directly from

AbbVie or its Affiliates) representing 20% or more of the combined voting power of AbbVie's then outstanding securities; or (d) the date the shareholders of AbbVie approve a plan of complete liquidation or dissolution of AbbVie or there is consummated an agreement for the sale or disposition by AbbVie of all or substantially all of AbbVie's assets, other than a sale or disposition by AbbVie of all or substantially all of AbbVie's assets to an entity, at least 50% of the combined voting power of the voting securities of which are owned by shareholders of AbbVie, in combination with the ownership of any trustee or other fiduciary holding securities under an employee benefit plan of AbbVie or any subsidiary of AbbVie, in substantially the same proportions as their ownership of AbbVie immediately prior to such sale. Notwithstanding the foregoing, a "Change in Control" shall not be deemed to have occurred by virtue of the consummation of any transaction or series of integrated transactions immediately following which the record holders of the common stock of AbbVie immediately prior to such transaction or series of transactions continue to have substantially the same proportionate ownership in an entity which owns all or substantially all of the assets of AbbVie immediately following such transaction or series of transactions. For purposes of this Supplemental Plan: "Affiliate" shall have the meaning set forth in Rule 12b-2 promulgated under Section 12 of the Exchange Act; "Beneficial Owner" shall have the meaning set forth in Rule 13d-3 under the Exchange Act; "Exchange Act" shall mean the Securities Exchange Act of 1934, as amended from time to time; and "Person" shall have the meaning given in Section 3(a)(9) of the Exchange Act, as modified and used in Sections 13(d) and 14(d) thereof, except that such term shall not include (i) AbbVie or any of its subsidiaries, (ii) a trustee or other fiduciary holding securities under an employee benefit plan of AbbVie or any of its Affiliates, (iii) an underwriter temporarily holding securities pursuant to an offering of such securities, or (iv) a corporation owned, directly or indirectly, by the shareholders of AbbVie in substantially the same proportions as their ownership of stock of AbbVie. 8-7. POTENTIAL CHANGE IN CONTROL. A "Potential Change in Control" shall exist during any period in which the circumstances described in paragraphs (a), (b), (c) or (d), below, exist (provided, however, that a Potential Change in Control shall cease to exist not later than the occurrence of a Change in Control): (a) AbbVie enters into an agreement, the consummation of which would result in the occurrence of a Change in Control, provided that a Potential Change in Control described in this paragraph (a) shall cease to exist upon the expiration or other termination of all such agreements. (b) Any Person (without regard to the exclusions set forth in subsections (i) through (iv) of such definition) publicly announces an intention to take or to consider taking actions the consummation of which would constitute a Change in Control; provided that a Potential Change in Control described in this paragraph (b) shall cease to exist upon the withdrawal of such intention, or upon a determination by the Board of Directors that there is no reasonable chance that such actions would be consummated.

(c) Any Person becomes the Beneficial Owner, directly or indirectly, of securities of AbbVie representing 10% or more of either the then outstanding shares of common stock of AbbVie or the combined voting power of AbbVie's then outstanding securities (not including any securities beneficially owned by such Person which are or were acquired directly from AbbVie or its Affiliates). (d) The B
