

LOCKHEED MARTIN CORPORATION

DIRECTORS DEFERRED COMPENSATION PLAN

As Amended and Restated Effective October 1, 2024

ARTICLE I

PURPOSE

The purpose of this Plan is to give each non-employee Director of Lockheed Martin Corporation the opportunity to be compensated for his or her service as a Director on a deferred basis. The Plan is also intended to establish a method of paying Director compensation which will aid the Corporation in attracting and retaining as members of the Board persons whose abilities, experience and judgment can contribute to the success of the Corporation. In addition, by providing Directors with the option of accruing earnings based on the performance of Lockheed Martin Common Stock, the Plan is intended to more closely align the economic interests of Directors with the interests of stockholders generally.

The Plan was amended and restated, effective January 1, 2005, in order to comply with the requirements of Internal Revenue Code section 409A. This amendment and restatement of the Plan applies only to the portion of a Participant’s Account balance that is earned or becomes vested on or after January 1, 2005 (and any earnings attributable to that portion). The portion of a Participant’s Account balance that was earned and vested prior to January 1, 2005 (and any earnings attributable to that portion) shall be governed by the terms of the Plan in effect on December 31, 2004, which is attached hereto as Appendix A.

The Plan and Appendix A were amended and restated, effective as soon as administratively practicable on or after February 1, 2009, to change the interest option for calculating earnings and to provide for new investment options in which Participants may invest their Account balances, whether earned and vested before or after January 1, 2005. The addition of the new investment options in Appendix A is not intended to constitute a material modification within the meaning of Code section 409A.

The Plan was amended and restated effective January 1, 2024, to make certain clarifying changes. The Plan is hereby amended and restated effective October 1, 2024 to permit distributions upon a conflict of interest, as set forth herein.

Timing of Deferral Elections

. In order to defer Director's Fees earned in any calendar year, a Director must make a deferral election by executing and filing an Election Form by December 31 of the year prior to the year in which the fees will be earned. In the case of a new Director, an election to defer Director's Fees must be filed within 30 days after the commencement of the Director's term of office and shall apply only to fees for services after the date of such election. The deferral election shall specify the manner in which earnings (or losses) on the deferred amount shall accrue in accordance with Section 4.2 below. To the extent that a Director elects that any portion of a deferred amount shall accrue earnings (or losses) based on the Lockheed Martin Common Stock Investment Option, such an election shall be given effect only if (i) the election is irrevocably made at least six (6) months prior to the effective date of the allocation or (ii) the crediting of the deferred amount to the Lockheed Martin Common Stock Investment Option has been approved by the Board of Directors (or a committee thereof that is comprised of persons specified in Section 6.1). To the extent that a Director makes an election to have Deferred Compensation credited to the Lockheed Martin Common Stock Investment Option which is not in compliance with (i) or (ii) above, the amount elected to be deferred into the Lockheed Martin Common Stock Investment Option shall initially be allocated to the default investment option under the Qualified Savings Plan until such time as the allocation to the Lockheed Martin Common Stock Investment Option would be in compliance with (i) or (ii) above, at which time the deferred amount shall automatically be reallocated.

3.2

Terms of Deferral Elections

. A Director's deferral election for a calendar year shall specify the percentage (which may equal 100%) of the Director's Fees to be earned by the Director for that year which are to be deferred under this Plan and, with respect to fees deferred pursuant to that election, the method for crediting earnings (or losses) selected by the Director in accordance with Article IV and the manner of distribution in accordance with Section 5.1(a). A Director's deferral election shall be irrevocable during any calendar year in which it is in effect. A Director's election shall remain in effect and shall be deemed to have been made for a subsequent calendar year unless the Director files a revised election form by December 31 of the year preceding the year in which the applicable Director's Fees will be earned. If a Director files a change of election in accordance with Section 5.1(c), the manner of distribution elected under that Section will apply only to the Deferred Compensation for the calendar years listed on the Election Form.

ARTICLE IV

CREDITING OF ACCOUNTS

4.1

Crediting of Director's Fees

. Director's Fees that a Director has elected to defer shall be credited to the Director's Account as of the first business day of the month following the end of the calendar quarter in which the

A Director may elect to have his or her Account credited with investment earnings (or losses) for each trading day as if the Director's Account balance had been invested in the following;

(a) Interest Option

Interest Option

. Interest at a rate equivalent to (i) the then published rate for computing the present value of future benefits at the time cost is assignable under Cost Accounting Standard 415, Deferred Compensation, as determined by the Secretary of the Treasury on a semi-annual basis pursuant to Pub. L. 92-41, 85 Stat. 97, (ii) such other interest rate as is available to participants in the Lockheed Martin Corporation Deferred Management Incentive Compensation Plan as an interest option if the interest option under (i) is not an option under that plan, or (iii) if there is no rate under (i) or (ii) such other interest rate as is approved by the Board. Notwithstanding anything in the Plan to the contrary, Deferred Compensation credited to a Director's Account on or after July 1, 2009 may not be invested in the Interest Option. Deferred Compensation credited to the Interest Option prior to July 1, 2009 may remain credited to the Interest Option, until such amounts are transferred to the Lockheed Martin Common Stock Investment Option or the Investment Fund Option on or after July 1, 2009. No Deferred Compensation may be credited or reallocated to the Interest Option on or after July 1, 2009.

Earnings (or losses) shall be credited to a Director's Account based on the investment option or options within the Investment Fund Option to which his or her Account has been allocated. The manner in which earnings (or losses) are credited under each of the investment options shall be determined in the same manner as under the Qualified Savings Plan.

(c) Lockheed Martin Common Stock Investment Option

Lockheed Martin Common Stock Investment Option

. Earnings (or losses) shall be credited as if such amount had been invested in Lockheed Martin Common Stock at the published closing price of the Corporation's Common Stock on the New York Stock Exchange on the last trading day preceding the day as to which such amount is deferred (or reallocated) into the Lockheed Martin Common Stock Investment Option; this portion of a Director's Account shall reflect any subsequent appreciation or depreciation in the market value of Lockheed Martin Common Stock based on the published closing price of the stock on the New York Stock Exchange on each trading day of each month and shall reflect dividends on the stock as if such dividends were reinvested in shares of Lockheed Martin Common Stock.

(d) A combination of (a), (b) and (c).

A Director's initial investment selections must be made by the date that the Director's initial deferral election takes effect. A Director may change his or her investment selections for all amounts credited to the Plan or separately with respect to amounts to be deferred in future periods to the Director's Account and amounts deferred in prior periods to the Director's Account, provided that any such change to the investment of amounts deferred in prior periods to the Director's Account that would result in an increase or decrease in the portion of the Director's Account allocated to the Lockheed Martin Common Stock Investment Option shall only be effective if it is made pursuant to an irrevocable written election made at least six months following

to a Director's Account prior to July 1, 2009 may be credited or reallocated to the Interest Option prior to July 1, 2009. No Deferred Compensation may be credited or reallocated to the Interest Option on or after July 1, 2009.

(A) A lump sum.

(B) Annual payments for a period of years designated by the Director which shall not exceed fifteen (15). The amount of each annual payment shall be determined by dividing the Director's Account at the end of the month prior to such payment by the number of years remaining in the elected installment period.

(b) (5) DPP, (b) (5) ACP, (b) (5) ADP, (b) (5) AWP

Cash-out of Small Benefits

. In no event shall a distribution in accordance with the previous sentence be made after March 15th of the calendar year following the year in which the termination of the Director's status as a Director occurs.

(c)

Subsequent Change of Elections

. A Director may change any election as to the manner of distribution and file a new election choosing a lump sum or installment payments with respect to the payment of the Director's entire Account, or with respect to fees deferred for specific calendar years, by executing an election (on a form prescribed by the Company) within the time periods described in this Section 5.1(c). Any election under this Section 5.1(c) shall specify a time on which commencement of distribution will begin and the number of installments to be paid if any, under the options specified in Section 5.1(c). An election must be made prior to the Director's termination of service as a director. To constitute a valid election by a Director making a prospective change to a previous election, (i) the prospective election must be executed and delivered to the Company at least twelve (12) months before the date the first payment would be due under the Director's previous election, and (ii) the first payment must be delayed by at least sixty (60) months from the date the first payment would be due under the Director's previous election. In the event an election fails to satisfy the terms of this Section 5.1(c), such election shall be void and payment shall commence under the Director's previous valid election or, if none exists, shall be paid in a lump sum.

(d) ; ; ;

Valuation of Distributions

. Distributions shall be valued based on the closing price on the trading day that is four (4) business days prior to the date of the distribution.

5.2 ; ; ;

Commencement of Payments

. Subject to the provisions of Section 5.5 and except as provided in Sections 5.1(b), 5.4 and 5.7, the payment of Deferred Compensation to a Director shall be made following a Director's termination as a Director in accordance with his or her deferral elections regardless of whether the Director's termination is due to resignation, retirement, disability, death, or otherwise. Installment payments shall continue to be made in January of each succeeding year until all installments have been paid.

5.3 ; ; ;

Death Benefits

. Subject to the provisions of Section 5.5, in the event that a Director dies before payment of the Director's Deferred Compensation has commenced or been completed, the balance of the Director's Account shall be distributed to the Director's Beneficiary commencing in the January following the date of the Director's death in accordance with the manner of distribution (lump sum or annual installments as well as timing of commencement of distributions) elected by the Director for payments during the Director's lifetime.

5.4 ; ; ;

Emergency Withdrawals

. In the event of an unforeseen financial emergency prior to the commencement of distributions or after the commencement of installment payments, the Committee may approve a distribution to a Director (or Beneficiary after the death of a Director) of the part of the Director's Account balance an amount which does not exceed the amount necessary to satisfy such emergency plus the amount necessary to pay taxes reasonably anticipated as a result of the distribution. This emergency distribution amount must take into consideration any amounts by which the hardship is or may be relieved through reimbursement or compensation by insurance or by liquidation of the Director's (or Beneficiary's after the death of the Director) assets to the extent such liquidation would not cause a severe financial hardship. An emergency withdrawal will be approved only in a circumstance of severe financial hardship to the Director (or Beneficiary, as applicable) resulting from a sudden and unexpected illness or accident of the Director (or Beneficiary, as applicable) or of a dependant of the Director (or Beneficiary, as applicable), loss of property due to casualty, or other similar extraordinary and unforeseeable circumstances arising as a result of events beyond the control of the Director (or Beneficiary, as applicable). The investment earnings shall be determined as if the withdrawal had been debited from the Director's Account in the first day of the month in which the withdrawal occurs.

5.5 ; ; ;

Corporation's Right to Withhold

. There shall be deducted from all payments under this Plan the amount of taxes, if any, required to be

withheld under applicable federal or state tax laws. The Directors and their Beneficiaries will be liable for payment of any and all income or other taxes imposed on Deferred Compensation payable under this Plan.

5.6

Section 16 Limitations on Distributions

. Notwithstanding anything contained herein to the contrary, no distribution of any portion of a Director's Account credited to the Lockheed Martin Common Stock Investment Option shall be made unless (i) the Board of Directors or Committee has approved the distribution or (ii) at least six months have passed from the date the Director's service on the Board has terminated.

5.7

Acceleration Upon Conflict of Interest

. Notwithstanding a Director's benefit payment elections under this Article V, if following the termination of a Director's status as a Director, the Director takes a position (or accepts a position) with a governmental entity, agency, or instrumentality and that employer has determined that the Director's continued participation in the Plan may constitute a conflict of interest precluding the Director from continuing in their position (or from accepting an offered position) with that employer or subjecting the Director to penalty, sanction, or otherwise limiting the Director's responsibilities for that employer, then, to the extent reasonably necessary, the Director's Account shall be distributed to them in a lump sum as soon as practical (but no later than 90 days) following the later of (i) the date on which the Director commences employment with the government employer; or (ii) the date on which it is determined or indicated that the conflict of interest may exist; provided, however, that if a distribution in accordance with the provisions of this Section 5.7 from the portion of the Director's Account allocated to the Lockheed Martin Common Stock Investment Option would otherwise result in a nonexempt short-swing transaction under Section 16(b) of the Exchange Act, the date of distribution with respect to such portion to such Director shall be delayed until the earliest date upon which the Company reasonably anticipates that the distribution either would not result in a nonexempt short-swing transaction or would otherwise not result in liability under Section 16(b) of the Exchange Act. This Section 5.7 shall apply, however, only to the extent that the accelerated payment upon a conflict of interest determination conforms to Code section 409A.

ARTICLE VI

ADMINISTRATION, AMENDMENT AND TERMINATION

6.1

Administration by Committee

. This Plan shall be administered by a Committee consisting of exclusively non-employee directors; as that term is defined in Rule 16b-3 (Rule 16b-3) promulgated by the Securities and Exchange Commission under Section 16 of the Securities Exchange Act of 1934 (the Exchange Act). The Committee shall act by vote of a majority or by unanimous written consent of its members. The Committee's resolution of any question regarding the interpretation of this Plan shall be subject to review by the Board, and the Board's determination shall be final and binding on all parties. Notwithstanding anything contained in the Plan or in any document issued under the Plan, it is intended that the Plan will at all times comply with the requirements of Internal Revenue Code section 409A and any regulations or other guidance issued thereunder, and that the provisions of the Plan will be interpreted to meet such requirements. If any provision of the Plan or any Deferral Agreement is determined not to conform to such requirements, the Plan and/or the Deferral Agreement, as applicable, shall be interpreted to omit such offending provision.

6.2

Amendment and Termination

. This Plan may be amended, modified, or terminated by the Board at any time, except that no such action shall (without the consent of affected Directors or, if appropriate, their Beneficiaries or personal representatives) adversely affect the rights of Directors or Beneficiaries with respect to compensation earned and deferred under this Plan prior to the date of such amendment, modification, or termination, or result in the application of penalties under Code section 409A.
