1.
Settlement of RSUs

Settlement of RSUs shall be made within 30 days following the applicable date of vesting under the vesting schedule set forth in the Notice. Settlement of RSUs shall be in Shares or, as determined by the Company in its sole discretion, in cash.

2.
No Stockholder Rights

Unless and until such time as Shares are issued in settlement of vested RSUs, Participant shall have no ownership of the Shares allocated to the RSUs and, except as set forth in Section 3 below, shall have no rights with respect to such Shares (including right to dividends or to vote such Shares).

3.
Dividends

Unless otherwise determined by the Committee, if a dividend is declared on Shares during the period commencing on the Grant Date and ending on the date on which the Shares underlying the RSUs are distributed to the Participant pursuant to this Agreement, the Participant shall be eligible to receive an amount equal to the dividend that the Participant would have received had the Shares underlying the RSUs been held by the Participant as of the record date for such dividend (a “Dividend Equivalent”).

Such Dividend Equivalent will be subject to the same vesting conditions as the original RSU granted under this Agreement. Each Dividend Equivalent shall not accrue interest and will be settled in cash or, subject to the approval of the Committee and to the extent permitted under the terms of the Plan (including pursuant to any amendment to the Plan effective after the Grant Date), in Shares, as soon as reasonably practicable (and in no event later than 60 days) after the applicable Vesting Date of the corresponding RSUs, or at such other time as set forth in the Notice. For the avoidance of doubt, no Dividend Equivalent will be paid with respect to any RSUs that are forfeited.

4.
Non-Transferability of RSUs

RSUs may not be sold, assigned, transferred, pledged, hypothecated, or otherwise disposed of in any

manner other than by will or by the laws of descent or distribution or unless otherwise permitted by the Committee on a case-by-case basis.

5.

Termination

If Participant's service Terminates for any reason, all unvested RSUs (including any related Dividend Equivalents) shall be forfeited to the Company forthwith, and all rights of Participant to such RSUs (including any related Dividend Equivalents) shall immediately terminate. In case of any dispute as to whether Termination has occurred, the Company shall have sole discretion to determine whether such Termination has occurred and the effective date of such Termination for purposes of the Plan. For the avoidance of doubt, except as may be agreed to in the sole discretion of the Company, if Participant is Terminated by Participant's employer for any reason or if Participant's Termination is due to voluntary resignation, all unvested RSUs (including any related Dividend Equivalents) shall be forfeited as of the date on which Participant is no longer actively providing services, and no vesting shall continue during any notice period, including any "garden leave" or similar period, that may be mandated in relation to Termination (even if such a notice period generally applies to Participant's employment due to contract or applicable law), nor will Participant be entitled to vest in a pro-rata portion of the RSUs; provided, however, that if applicable laws explicitly require continued entitlement to vesting of the RSUs during a statutory or contractual notice period, Participant's right to vest in the RSUs under the Plan, if any, will terminate effective as of the last day of Participant's statutory or contractual notice period (as applicable). Participant will not earn or be entitled to pro-rated vesting if the vesting date falls after the end of Participant's statutory or contractual notice period.

6.

Withholding Taxes

Prior to the settlement of Participant's RSUs and as a condition to and in consideration of the grant, vesting, and settlement of the RSUs and payment of any Dividend Equivalents with respect thereto, Participant shall pay or make adequate arrangements satisfactory to the Company (and any Subsidiary or affiliate) to satisfy all withholding obligations of the Company (and any Subsidiary or affiliate) and any other amounts in relation to the RSUs and the rights thereunder, including any applicable taxes, social contributions, required deductions, or other payments. In this regard, Participant authorizes the Company (and any Subsidiary or affiliate) to withhold all such amounts legally payable by Participant. In this regard, Participant authorizes the Company (and any Subsidiary or affiliate), at the direction and discretion of the Committee, to satisfy all obligations or rights by one or a combination of the following: (i) payment of a cash amount by Participant, (ii) by withholding from Participant's wages or other cash compensation paid to Participant by the Company (and any Subsidiary or affiliate), (iii) withholding Shares based on the Fair Market Value of the Shares that otherwise would be issued to Participant when Participant's RSUs are settled, provided that the Company does not withhold more than the amount of Shares necessary to satisfy the maximum statutory withholding amount, (iv) by withholding from proceeds of the sale of Shares acquired upon settlement of the RSUs through a voluntary or mandatory sale arranged by the Company (on Participant's behalf pursuant to this authorization without further action by Participant), or (v) by any other arrangement approved by the Committee, all under such rules as may be established by the Committee and in compliance with the Company's Insider Trading Policy and 10b5-1 Trading Plan Policy, if applicable. The Company may refuse to deliver the Shares, Dividend Equivalent amounts or the proceeds from the sale of Shares if Participant fails to comply with Participant's obligations in connection with the tax withholding or other payments as described in this section.

7.

Acknowledgment

As a condition to, and in consideration of, the grant, vesting, and settlement of the RSUs, the Company

and Participant agree that the RSUs are granted under and governed by the Notice, this Agreement (including the Jurisdiction-Specific Addendum hereto) and the provisions of the Plan. By receiving the RSUs, Shares, or otherwise any benefit relating to the RSUs, Participant (i) acknowledges receipt of a copy of the Plan and the Plan prospectus, (ii) represents that Participant has carefully read and is familiar with their provisions, and (iii) hereby accepts the RSUs subject to all of the terms and conditions set forth herein and those set forth in the Plan and the Notice.

8.

Entire Agreement; Enforcement of Rights

This Agreement, the Plan and the Notice constitute the entire agreement and understanding of the parties relating to the subject matter herein and supersede all prior discussions between them. Any prior agreements, commitments or negotiations concerning the issuance of the Shares hereunder are superseded. The failure by either party to enforce any rights under this Agreement shall not be construed as a waiver of any rights of such party.

9.

Data Protection

Unless otherwise provided for in the Jurisdiction-Specific Addendum hereto, in order to enable the Company to properly administer the Plan and the RSUs received by the Participant pursuant to the Plan, Participant hereby gives explicit consent to the Company, any Subsidiary, Parent or Affiliate of the Company, and/or any delegates to collect and process (electronically or otherwise) personal data, including sensitive and financial data, about himself or herself necessary to administer the Plan and RSUs received by Participant pursuant to the Plan. Such data may include, but is not limited to, Participant's name, work authorization, government or tax identification number, date of birth, beneficiaries' contact information, RSU grant history, and compensation information. Participant also hereby gives explicit consent to the Company and any Subsidiary, Parent or Affiliate of the Company to transfer (electronically or otherwise) any such data outside the country in which Participant is living or employed (including to the United States), as well as to third-party providers (in Participant's home country or the United States or other countries) of legal, tax, benefits, administration or other services to the Company (and any Subsidiary, Parent or Affiliate of the Company) or employees of any such entity, including but not limited to the designated broker for the Plan, Charles Schwab. The legal person for whom such personal data is intended to be used is the Company and/or any Subsidiary, Parent or Affiliate of the Company. Participant further understands that the Company and/or its Subsidiary, Parent or Affiliate may report information regarding the Participant and/or the RSU to tax authorities or other governmental agencies as may be required to comply with applicable laws.

10.

Compliance with Laws and Regulations

The issuance of Shares will be subject to and conditioned upon compliance by the Company and Participant with all applicable national or local laws and regulations and with all applicable requirements of any stock exchange or automated quotation system on which the Company's Common Stock may be listed or quoted at the time of such issuance or transfer. Furthermore, the applicable laws of the jurisdiction in which Participant is living or working at the time of grant, vesting and/or settlement of the RSUs and/or disposition of the Shares received thereunder (including any rules or regulations governing securities, exchange control, tax, labor or other matters) and any other applicable laws may restrict or prevent settlement of the RSUs and/or disposition of the Shares received thereunder or may subject Participant to additional procedural or regulatory requirements. The Company will be under no obligation to register or qualify the Plan, the RSUs or the Shares with, or to effect compliance with the registration, qualification or other requirements of, any foreign governmental authority and the Company will have no liability for any inability or failure to do so.

11.

Jurisdiction-Specific Addendum and Additional Requirements

The RSUs, any Shares to be issued upon settlement of the RSUs and participation in the Plan shall be

subject to any different or additional terms and conditions set forth in the Jurisdiction-Specific Addendum hereto. Moreover, the Company reserves the right to impose other requirements on the RSUs, the Shares to be issued upon settlement of the RSUs and participation in the Plan to the extent necessary or advisable for legal or administrative reasons and to require Participant to sign any additional agreements or undertakings that may be necessary or advisable to accomplish the foregoing. Such requirements will apply as from the date of grant, including in circumstances where Participant moves to another country after the date of grant, unless otherwise determined by the Company in its sole discretion.

12.

Severability

If one or more provisions of this Agreement are held to be unenforceable under applicable law, the parties agree to renegotiate such provision in good faith. In the event that the parties cannot reach a mutually agreeable and enforceable replacement for such provision, then (a) such provision shall be excluded from this Agreement, (b) the balance of this Agreement shall be interpreted as if such provision were so excluded and (c) the balance of this Agreement shall be enforceable in accordance with its terms.

13.

Governing Law; Choice of Venue

This Agreement and all acts and transactions pursuant hereto and the rights and obligations of the parties hereto shall be governed, construed and interpreted in accordance with the laws of the State of Delaware, without giving effect to principles of conflict of laws. For purposes of litigating any dispute that may arise directly or indirectly from the Plan, the Notice and this Agreement, the parties hereby submit and consent to litigation in the exclusive jurisdiction of the State of California and agree that any such litigation shall be conducted only in the courts of California or the federal courts of the United States for the Northern District of California and no other courts.

14.

No Rights as Employee, Director or Consultant

Nothing in this Agreement shall affect in any manner whatsoever the right or power of the Company, or a Parent, Subsidiary or Affiliate of the Company, to terminate Participant

’

s service in accordance with applicable laws, which may provide for the termination of Participant’s service for any reason, with or without cause.

15.

Nature of Grant

As a condition to, and in consideration of, the grant, vesting, and settlement of RSUs, and in receiving the award of RSUs, Shares, or any other benefit relating to the RSUs, Participant acknowledges, understands and agrees that:

(a)

(c)

no Subsidiary or Affiliate (including, but not limited to, the employer) has any obligation to make any payment of any kind under this Agreement;

(d)

the grant of the RSUs is exceptional, voluntary and occasional and does not create any contractual or other right to receive future grants of RSUs or other Awards, or benefits in lieu of RSUs, even if RSUs have been granted in the past;

(e)

all decisions with respect to future grants of RSUs, if any, will be at the sole discretion of the Company;

(f)

Participant is voluntarily participating in the Plan;

(g)

the RSUs, the Dividend Equivalents and the Shares subject to the RSUs, and the income from and value of same, are an extraordinary item that do not constitute compensation of any kind for services of any kind rendered to the employer, the Company or any Subsidiary or Parent of the Company and are outside the scope of Participant's employment or service contract, if any;

(h)

the RSU, the Dividend Equivalents and the Shares subject to the RSU, and the income from and value of same, are not intended to replace any pension rights or compensation;

(i)

(j)

unless otherwise agreed with the Company, the RSU, the Dividend Equivalents and the Shares subject to the RSUs, and the income from and value of same, are not granted as consideration for, or in connection with, the service Participant may provide as a director of a Parent, Subsidiary or Affiliate of the Company;

(k)

the RSUs, the Dividend Equivalents and Participant's participation in the Plan will not be interpreted to form or amend an employment or service contract or relationship with the Company or with any Parent, Subsidiary or Affiliate of the Company;

(l)

the future value of the underlying Shares to be issued when the RSUs are settled is unknown, indeterminable and cannot be predicted with certainty and neither the Company nor any Parent, Subsidiary or Affiliate of the Company will be liable for any decrease in the value of such RSUs or Shares or for any foreign exchange rate fluctuations between Participant's local currency and the United States Dollar that may affect the value of any benefit Participant may receive in relation to the RSUs or the Shares to be issued pursuant to the settlement of the RSUs; and

(m)

no claim or entitlement to compensation or damages shall arise from forfeiture of the RSUs (including any related Dividend Equivalents) resulting from Termination or from any diminution in value of the RSUs or Shares acquired upon settlement of the RSUs for any reason.

16.

Jurisdiction-Specific Addendum

This Jurisdiction-Specific Addendum (the "Addendum

Addendum

" includes additional (or, if so indicated, different) terms and conditions that govern the RSUs if Participant is subject to the laws of one or more of the jurisdictions listed herein. If Participant is a citizen or resident of a jurisdiction (or is considered as such for local law purposes) other than the one in which Participant is currently residing and/or working or if Participant transfers to another jurisdiction after being granted the RSUs, the Company will, in its discretion, determine the extent to which the terms and conditions contained herein will be applicable to Participant.

This Addendum also includes notifications relating to issues of which Participant should be aware with respect to Participant's participation in the Plan. The information is based on the securities, exchange control and other laws in effect in the jurisdictions as of January 2025. Such laws are often complex and change frequently. As a result, Participant should not rely on the information in this Addendum as the only source of information relating to the consequences of Participant's participation in the Plan because the information may be out of date at the time the RSUs vest or are settled or at the time Participant sells Shares acquired under the Plan. In addition, the notifications are general in nature and may not apply to Participant's particular situation, and the Company is not in a position to assure Participant of any particular result. Accordingly, Participant should seek appropriate professional advice as to how the laws in the relevant jurisdictions may apply to Participant's situation. If Participant is a citizen or resident of a jurisdiction (or is considered as such for local law purposes) other than the one in which Participant is currently working and/or residing or if Participant transfers to another jurisdiction after being granted the RSUs, the information contained herein may not be applicable to Participant in the same manner.

This Addendum forms part of the Agreement and should be read in conjunction with the Agreement and

the Plan. Unless otherwise defined herein, the terms defined in the Plan or the Agreement, as applicable, shall have the same defined meanings in this Addendum.

All Non-U.S. Jurisdictions

Taxes

The following supplements Section 6 of the Agreement

Participant acknowledges that, regardless of any action taken by the Company or, if different, the Subsidiary or Affiliate employing Participant (the

Employer

), the ultimate liability for all income tax, social insurance, payroll tax, fringe benefits tax, payment on account or other tax-related items related to participation in the Plan and legally applicable or deemed applicable to Participant (the

Tax-Related Items

) is and remains Participant's responsibility and may exceed the amount, if any, actually withheld by the Company or the Employer. Participant further acknowledges that the Company and/or the Employer make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the RSUs or any related Dividend Equivalents including, but not limited to, the grant, vesting or settlement of the RSUs, the subsequent sale of Shares acquired upon settlement and the receipt of any dividends, and do not commit to and are under no obligation to structure the terms of the grant or any aspect of the RSUs to reduce or eliminate my liability for Tax-Related Items or achieve any particular tax result. Further, in some circumstances (e.g., if Participant is a citizen or resident of a jurisdiction (or is considered as such for local law purposes) other than the one in which Participant is currently working and/or residing or if Participant transfers to another jurisdiction after being granted the RSUs), Participant acknowledges that the Company and/or the Employer (or former employer, as applicable) may be required to withhold or account for Tax-Related Items in more than one jurisdiction, and the amount withheld or accounted for may exceed Participant's overall liability for Tax-Related Items.

Without derogating from the provisions of Section 6(iii) above, the Company may withhold or account for Tax-Related Items by considering statutory or other withholding rates, including minimum or maximum rates applicable in Participant's jurisdiction(s). In the event of any over-withholding, any such over-withheld amount may be refunded in cash in accordance with applicable laws with no entitlement to the equivalent in Shares) or, if not refunded, Participant may seek a refund from the local tax authorities. In the event of under-withholding, Participant may be required to pay any additional Tax-Related Items directly to the applicable tax authority or the Company and/or the Employer. Further, if the obligation for the Tax-Related Items is satisfied by withholding Shares as described in Section 6(iii) above, for tax purposes, Participant will be deemed to have been issued the full number of Shares subject to the vested RSUs, notwithstanding that a number of the Shares is held back solely for the purpose of paying the Tax-Related Items.

Insider Trading Restrictions; Market Abuse Laws

Participant acknowledges that, depending on Participant's or Participant's broker's country of residence or where the Shares are listed, Participant may be subject to insider trading restrictions and/or market abuse laws which may affect Participant's ability to accept, acquire, sell or otherwise dispose of the Shares, rights to Shares (e.g., RSUs) or rights linked to the value of Shares (e.g., phantom awards, futures) during such times Participant is considered to have inside information regarding the Company as defined in the laws or regulations in Participant's country. Local insider trading laws and regulations may prohibit the cancellation or amendment of orders Participant placed before Participant possessed inside information. Furthermore, Participant could be prohibited from (i) disclosing the inside information to any third party and (ii) tipping third parties or causing them otherwise to buy or sell securities. Keep in mind third parties includes fellow employees. Any restrictions under these laws or regulations are separate from and in addition to any restrictions that may be imposed under the Meta Platforms, Inc. Insider Trading Policy as may be amended from time to time.

Participant acknowledges that it is their responsibility to comply with any restrictions and that Participant should consult their personal legal advisor on this matter.

Exchange Control, Foreign Asset/Account Reporting, and Other Requirements

Without limitation to any requirements noted below for any specific country, Participant may be subject to foreign asset/account, exchange control and/or tax reporting requirements as a result of the vesting and settlement of the RSUs, the acquisition, holding and/or transfer of Shares or cash resulting from participation in the Plan (including from any dividends or Dividend Equivalents received or sale proceeds arising from the sale of Shares) and/or the opening and maintaining of a brokerage or bank account in connection with the Plan. Participant may be required to report such assets, accounts, account balances and values, and/or related transactions to the applicable authorities in their country. Participant may also be required to repatriate sale proceeds or other funds received as a result of their participation in the Plan to their country through a designated bank or broker and/or within a certain time after receipt.

Participant acknowledges that it is their responsibility to comply with any applicable foreign asset/account, exchange control and tax reporting and other requirements and that Participant should consult their personal tax and legal advisors on these matters.

Securities Law Notice

Unless otherwise noted herein, neither the Company nor the Shares are registered with any local stock exchange or under the control of any local securities regulator outside the U.S. This Agreement, the Plan, and any other communications or materials that Participant may receive regarding participation in the Plan do not constitute advertising or an offering of securities outside the U.S. The issuance of securities described in any Plan-related documents is not intended for offering or public circulation in Participant's jurisdiction.

California
