In addition, no interest shall be paid on such amounts and all Participants assume the risk of fluctuations in the value or market price of Stock.

IV. Account Purchases, Maintenance & Sales

4.1

Account Establishment.

The Account Administrator shall establish an Account in accordance with the Plan for any Associate who becomes a Participant. Upon the Committee's (or its delegate's) request, the Account Administrator shall establish an Account for an Associate who is to be awarded shares under an Award Program and who is not then a Participant.

4.2

Share Purchases.

No later than five business days after the Account Administrator receives the remittance of funds for Contributions (including Voluntary Contributions made in cash) made to the Plan, the Account Administrator shall purchase shares of Stock from the Company, which may be purchases from the Company of authorized, but unissued, shares of Stock, shares of Stock held as treasury shares of Stock, in open market transactions over a national securities exchange, or in a combination of the foregoing. Notwithstanding the foregoing, the Committee may from time to time provide instructions to the Account Administrator with respect to the purchase of such shares of Stock but, absent such instructions, the Account Administrator shall determine the source of such Stock purchases in its discretion.

(a)

In the case of purchases from the Company of authorized but unissued or treasury shares of Stock, the price of such shares is equal to the Volume Weighted Average Price (VWAP) as reported on the applicable national securities exchange on the relevant date of purchase; provided, however, that the Committee may, in its discretion, designate some other methodology for determining the fair market value of such shares of Stock purchased from the Company.

(b)

The Account Administrator's purchase of shares of Stock in open market transactions over a national securities exchange and the price per share shall be in accordance with rules and procedures established by the Committee from time to time, the rules of the national securities exchange over which the shares of Stock are purchased and the rules of the Financial Industry Regulatory Authority.

4

(c)

As determined in the discretion of the Account Administrator (in accordance with any applicable rules and procedures of the Committee), funds received as Voluntary Contributions may be bundled into a group for the purpose of purchasing shares of Stock and such shares may be purchased over a time period that is greater than one day. If such shares of Stock are purchased as part of a bundled group, a Participant's purchase price for each share of Stock shall be the average price of all shares of Stock purchased within that group as determined by the Account Administrator.

(d)

(e)

No provision of this Plan shall limit the ability of the Committee to implement a real-time trading (or other) mechanism for the purchase or sale of shares of Stock under the Plan and, to the extent determined by the Committee, shall replace any other methodology for valuing and allocating shares of Stock purchased or sold under the Plan.

Dividends on shares of Stock held in a Participant's Account shall be automatically reinvested in shares of Stock, unless the Participant directs otherwise, in accordance with procedures established by the Committee. The reinvestment of such dividends will take place through the purchase of shares of Stock at the prevailing market price on the open market.

4.3

Share Purchases for Non-U.S. Participants.

With respect to non-U.S. Participants, the amounts (1) withheld from such a Participant's compensation pursuant to an authorization for Payroll Deduction or (2) contributed as either a Matching Contribution or an Award Contribution made directly to a Participant's Account shall be converted from the applicable foreign currency to U.S. dollars for the purpose of purchasing shares of Stock, and such conversion shall be pursuant to the exchange rate published in The Wall Street Journal (or other similar source) on a date as soon as practicable prior to the effective date of the cash transfer from the Company or the Participating Employer, as applicable, to the Account Administrator. All such Participants assume the risk of fluctuations in the value or market price of shares of Stock and applicable currency exchange rates. With respect to non-U.S. Participants making Voluntary Contributions in cash, such amounts must be tendered to the Account Administrator in U.S. dollars unless otherwise determined by the Committee.

Notwithstanding anything to the contrary contained in the terms of this Plan, at the discretion of the Committee, purchases of shares of Stock for, or the participation in the Plan by, non-U.S. Participants may be suspended or discontinued if the applicable laws of a country or another governmental authority (such as the European Union) governing such purchases of shares of Stock or participation in the Plan would require the Company to register or qualify such shares of Stock, or its deemed offer or sale of shares of Stock under the Plan to, or to otherwise comply with procedures under such laws with respect to any deemed offer and sale of shares of Stock by the Company under the Plan to, such non-U.S. Participants or the Company would otherwise become subject to the laws of such country or other governmental authority as a result of such purchases of shares of Stock by or on behalf of a non-U.S. Participant unless the Company is already subject in all respects to the jurisdiction of such country or governmental authority.

4.4

Allocation to Accounts.

The number of shares (whole and fractional shares) of Stock shall depend upon the purchase price as described in Section 4.2 at the time such purchases are made. Purchases of Stock will be allocated by the Account Administrator based upon the applicable purchase price to each applicable Participant's Account in proportion to the respective amount of Contributions received for each Participant's Account. Allocations of Stock will be made in full shares and in fractional interests in shares to the thousandths of a share.

4.5

Share Ownership.

At the time shares of Stock are credited to a Participant's Account, he or she will acquire full ownership of all such shares (as well as any fractional interests) of Stock.

5

(a)

All shares of Stock will be registered in the name of the Account Administrator and will remain so registered until delivery is requested by the Participant. The Participant may request from the Account Administrator that a certificate for any or all full shares of Stock be delivered to the Participant or that the Participant be reflected as the record owner of such shares of Stock in the Direct Registration System of the Depository Trust Company, if the Company participates in that system, at no cost to such Participant at any time.

(b)

The Account Administrator shall cause to be delivered at no cost to each Participant as promptly as practicable, by mail, electronic mail, or otherwise, all notices of shareholders' meetings, proxy statements and other material distributed by the Company to its stockholders. The full shares of Stock in each Participant's Account shall be voted in accordance with the Participant's signed proxy voting instructions timely delivered to the Account Administrator. In the event that a Participant does not timely provide the Account Administrator with proxy voting instructions, the Account Administrator may direct the voting of such shares of Stock held in an Account to the extent such action or direction would comply with applicable law and any applicable listing standards of a national securities exchange.

(c)

A Participant may not assign or hypothecate any interest in the Plan; provided, however, that upon purchase of shares under the Plan, such shares may be sold, assigned, pledged, hypothecated or otherwise dealt with as would be the case with respect to any other shares of Stock the Participant might otherwise own, subject to the Participant's compliance with the Walmart Inc. Insider Trading Policy.

(d)

Neither the Company nor any Participating Employer may make any deductions from amounts properly credited to a Participant's Account. Neither the Company nor any Participating Employer shall have any security interest on the shares of Stock held in a Participant's Account. Notwithstanding the foregoing, a lender may have a security interest on the shares of Stock held in a Participant's Account if the Participant has pledged such Stock as collateral in connection with a line of credit that may be obtained by certain Participants (other than Section 16 Officers) through the Account Administrator's Stock Secured Line of Credit Program, if any.

4.6

Account Statements.

Each Participant will be sent at least an annual statement reflecting all Account activity during the period covered by the statement.

4.7

Risk of Loss.

There is no guarantee of the value or market price of shares of Stock acquired pursuant to the Plan. In seeking potential benefits of Stock ownership, each Participant bears the risks associated with Plan participation and ownership of Stock, including the risk of any decrease in the value of market price of shares of Stock acquired pursuant to the Plan.

4.8

Commission & Maintenance Charges.

(a)

No brokerage commissions are charged to Participants for purchases of Stock under the Plan, however, brokerage commissions and other applicable fees shall be charged to the Participant for all sales of Stock from his or her Account. Such commissions and other applicable fees for sales of Stock held in a Participant's Account shall be at the rates posted by the Account Administrator, which may be changed from time to time by the Account Administrator with approval of the Committee (or its delegate).

(b)

The Company or Participating Employer, as applicable, shall pay the applicable periodic maintenance fees (if any) for the Participant's Account until the earlier of (1) a Participant Account Closure occurs or (2) the Participant incurs a termination of employment with the Company or Participating Employer, as applicable, subject to Section 5.3. Any services requested of the Account Administrator by the Participant that are not covered by the Company's arrangement with the Account Administrator shall be paid for solely by the Participant.

6

(c)

At such time as the Company or Participating Employer, as applicable, ceases to pay the applicable Account maintenance fees as set forth subsection (b) above, the Participant shall become responsible for any applicable Account maintenance fees. In this case, periodic maintenance fees and other applicable charges to the Account shall be paid from time to time to the Account Administrator automatically from the proceeds of a sale of a sufficient number of shares of Stock held in the Participant's Account to cover such fees and charges until the earlier of a Participant Account Closure or an Automatic Account Closure occurring.

4.9

Account Sales.

The Participant may instruct the Account Administrator in writing (or any other method acceptable to the Committee or its delegate) at any time to sell any portion or all of his or her full shares of Stock and the fractional interest in any shares of Stock allocable to his or her Account, and the timing for such sale of Stock shall be in accordance with rules and procedures established by the Committee from time to time. Any account sales shall be subject to the Walmart Inc. Insider Trading Policy, including, but not limited to, the Trading Windows and trading restrictions on Section 16 Officers.

(a)

The sale price for a share of Stock under the Plan shall be the average price of all shares of Stock sold by the Account Administrator on the date of the Participant's sale transaction; provided, however, that the Committee reserves the right to implement a real-time trading or similar mechanism for Participants' sales of shares of Stock from their respective Accounts under the Plan and the valuation of shares of Stock would be in accordance with any such mechanism.

(b)

Upon such sale, the Account Administrator shall mail to the Participant a check (or such method of payment as approved by the Committee or its delegate) for the proceeds, less the brokerage commission, and other normal charges such as sales fees, which are payable by the Participant.

(c)

Such instruction to the Account Administrator, or a request for delivery of Stock certificates held in the Participant's Account, will not affect the Participant's status as a Participant under the Plan unless the delivery of such certificates results in an Account Closure.

(d)

With respect to non-U.S. Participants, shares of Stock are sold or traded in U.S. dollars and such amounts can be converted for the purpose of remitting the proceeds to the non-U.S. Participant. If the proceeds from the sale of shares of Stock held in the Participant's Account are converted to a currency other than U.S. dollars, such conversion shall be made pursuant to the applicable exchange rate published in

The Wall Street Journal

I (or other similar source) on the date such transaction is executed. All such Participants assume the risk of fluctuations in the value or market price of shares of Stock and applicable currency exchange rates.

V. Account Closure & Termination of Employment

5.1

Account Closure.

A Participant who elects to discontinue Payroll Deductions under the Plan shall continue to be a Participant until the earlier of a Participant Account Closure or an Automatic Account Closure occurring. In connection with a Participant Account Closure, the Participant must elect to have his or her Account fully distributed in either (1) Stock (except that the value of any fractional shares of Stock will be distributed in cash) less any applicable fees or (2) cash by directing all full shares (and fractional interests) of Stock to be sold with the proceeds, less applicable brokerage commissions and other applicable fees, being distributed in accordance with the terms, provisions, and conditions of the Plan.

5.2

By Termination of Employment Other Than Due to Death of Participant.

The Account of a Participant who incurs a termination of employment (other than by reason of death) with the Company or a Participating Employer will continue to be maintained
